**RICHPORT PROPERTIES PARTNERS WITH THE CHUCK AND MARSHALL GROUP AT
DAVIS OAKS IN DECATUR**

Atlanta, GA, January 29, 2009 – Award-winning Atlanta new homes builder, Richport Properties recently partnered with award winning Realtors, The Chuck and Marshall Group of Re/Max Metro Atlanta to market Davis Oaks, a community of 21 new luxury townhomes in the Oak Grove area of DeKalb County.

Richport Properties, the recipient of numerous awards including five OBIE Awards by the Greater Atlanta Homebuilders Association, developed Davis Oaks, an infill project with a focus on urban conservation which recently earned the Development of Excellence Award by the Atlanta Regional Commission. "It's a perfect time to partner with one of the most knowledgeable and active sales and marketing teams in Oak Grove", exclaims Builder Rick Porter. "My family has been providing new homes to the Oak Grove community for more than 50 years and I could not ask for a better partner to help us continue that tradition."

The Chuck and Marshall Group of Re/Max Metro Atlanta, the top selling real estate group in DeKalb County for 2007 and 2006, recently won the Realtor.com Real Estate Online Marketing Award of Excellence, which recognizes top agents who consistently provide great marketing services on behalf of their buyers and sellers. "We're excited to partner with Richport Properties since we share so many of the same values and we look forward to sharing with them our expertise in the Oak Grove area" said Chuck Smith.

Davis Oaks offers buyers an Atlanta in-town location with a 2.6 acre certified wildlife habitat and nature path walking trail, as well as unique features that include double screen porches (one off the master bedroom and one off the kitchen/keeping room) and elevator-ready floor plans and is a short stroll to the Oak Grove shopping and restaurant district. The community offers easy access to I-85, Downtown and Buckhead and is less than 5 miles to Emory University, the VA hospital and the Centers for Disease Control and Prevention's Clifton campus.
