THE CHUCK AND MARSHALL GROUP NAMED #1 SALES TEAM IN DEKALB COUNTY IN 2007

Atlanta, GA, March 13, 2008 -- The Chuck and Marshall Group of Re/Max Metro Atlanta was recently named the #1 Sales Team in DeKalb County in 2007 by the DeKalb Board of Realtors. The group achieved a 28% increase in sales volume from the previous year, when they were also awarded the top team ranking. The founding business partners, Chuck Smith and Marshall Berch, along with Realtors Vickie Bracewell, Jayson Janowski, Joan Kaplan and Patrick Grant comprise the group with Diane Burns as the operations director.

As specialists in the neighborhoods around Emory, CDC and the V.A. Hospital, the group credits a strong Internet presence, attentiveness to clients (buyers, sellers and other realtors), continuous communication via phone, email and personal contact, and involvement in the community as major factors in their success and continual growth.

"Our agents work very hard, both with clients and to care for the communities in which they live, and we are honored to have achieved this distinction for the second consecutive year," said Smith.
